

Central Division Fall Meeting 2009 – A Timeless Tradition

The Northern Michigan Region invites you to mark your calendar and plan on attending the Central Division Fall Meeting on September 11, 12, and 13, 2009. Come and join us at the Mission Point Resort on Mackinac Island for three days of ski patrol family fun. The theme is “A Timeless Tradition of Snow - Fun – Family. The committee is planning events for educational sessions and family fun, as well as the usual Central Division business meetings and the awards banquet.

Mackinac Island is a get away for the whole family with historical sites, shops, golf and a Butterfly conservatory just to name a few. But remember there are no motorized vehicles allowed. You can see the island by walking, horse drawn carriage, riding a bicycle or horse. A short boat ride will take you to Mackinaw City or St. Ignace, which both offer numerous entertainment possibilities and historical sites. The Mackinac Island Harbormaster can provide information on slip availability to those wishing to come by personal boat.

The Mission Point Resort reservation telephone number is 800-833-7711.

Please note:

Please keep in mind that during this time of year the resort is closed for routine business until early May, so they have limited staff available until then. They do have voice mail set up. Calls during “off hours” can leave a message for a return call.
