Proposal Text (attach additional pages as necessary; for bylaw, P&P, or other amendments of existing provisions, show changes with added words underlined, and deleted words with a line through them):  <p>The economic conditions in the Midwest are adding stress to families and making it difficult for many to make ends meet. This proposal recommends a one time elimination of Division dues for any patroller that has lost their job during calendar year 2009. This only applies for the 2009/2010 season and does not extend beyond this year. It is not applicable to prior years nor to coming years. This does not apply to those retiring, taking a severance package, or changing jobs, students going back to school after summer jobs, etc. It is intended to help out families where the patroller has lost his/her job making it difficult to maintain membership with all the other pressures to keep a family going.</p> <p>In order to qualify for this exemption the patroller must provide written verification (termination papers, unemployment papers, or the like) and a written request to their Region Director. Upon the RD's approval the Division dues for 2009/2010 will be eliminated and a confirming email sent to the PD/PR and Division Registration Coordinator informing them of the decision. In a situation where one of the members of a married couple may have lost their income the RD has the right to make the same decision.</p>		
Proposal Explanation and Justification (attach additional pages as necessary): We have approximately 6000 members in the Central Division. It is expected that this may impact about 100 individuals resulting in about an \$800 impact on the budget. This could be plus or minus 10%.
