## Approving New Ski Areas to Host Certified Evaluations

~~To host a Certified Evaluation, a ski area must meet the following criteria and be chosen by a simple majority vote during the annual Certified meeting.~~

*Note: This criteria and specific instructions for this section are still being developed.*

- Slope criteria – length and degree of slope.
- Local area management receptiveness.
- Local area amenities necessary to host an evaluation. (Meeting room and quiet places for testing)
- Local lodging availability.
- **Other needs of the program as determined by the Division Certified Advisor & Leadership Team.**
