

So you want to start an Online OEC Hybrid Course?

1. Follow the directions of Registering an NSP Course on the Register a Course page.
2. View videos on the Pearson hybrid OEC course found under “OEC Instructor Resources”

Start with:

Outdoor Emergency Care Training Session-20160310 2357-1

[Play recording \(1 hr 2 min 58 sec\)](#)

The tutorials below are focused on the Instructor Tools area:

[Managing Your Course Settings](#)

[The Course Home Page / Adding Announcements](#)

[The Assignment Manager](#)

[The Gradebook](#)

3. Set up your Pearson Course. If your code has expired, contact your Region OEC Administrator. Copy a course using **nspeechybrid06635**
4. Set up your Class Syllabus- for examples, contact your Region OEC Administrator
5. Contact your Region OEC Administrator if you have any questions or need further assistance
