

Hello Fellow Patrollers!

Great news, the on-line portion of the refresher for 2016 is now available on the NSP website!

For those of you who want to get a jump on it...here's how you get on the site to get started.

Go to [nsp.org](http://nsp.org) and click on "Sign In" per below.

Be sure to use your NSP# as your username. If you do not remember your password, use the "Forgot my password" link under the Sign In button. If you do not know your NSP#, please contact your PR/PD.

Connect with us

THE GOLD STANDARD IN MOUNTAIN SAFETY AND RESCUE SINCE 1938.

Click on the "For Members" button to continue to the Member Resources section of the site.

Select the **For Members** button to obtain member information.

If you are not a member, select the **Become an Associate member** button for more information.

After a successful login, you should now be on the Member Resources section of the website on the Member Resources tab per below. From here, you can access the Pro Deals, the NSP catalog, the On-line learning and Customer Care. Customer Care is a good place to go if you have questions.

Now click on Online Learning per below.

Outdoor First Care 2015

Welcome to the Outdoor First Care course. This is the on-line portion of the course which should be followed by a hands-on practical. This course meets OSHA requirements and does not include CPR. At the end of each module, please return to the course list of activities to select the next module. There is not a quiz at the end of each module - only the

OEC Refresher Cycle C 2016

Welcome to the 2016 OEC Online Refresher Station. You must begin with Module 1 and work your way in order through Module 6. Upon completion of all six modules and assessments, please complete the Course Survey (button found at top right of list of modules) You will then be able to print a certificate (button found in the same location as the Course Survey) that you can take to the IOR of your in-person Skills Refresher.

Add ▶

The following screen will appear, click on the "Add Course" button per below.

### Course: OEC Refresher Cycle C 2016

Welcome to the 2016 OEC Online Refresher Station. You must begin with Module 1 and work your way in order through Module 6. Upon completion of all six modules and assessments, please complete the Course Survey (button found at top right of list of modules) You will then be able to print a certificate (button found in the same location as the Course Survey) that you can take to the IOR of your in-person Skills Refresher.

If you are using a tablet, please do not launch the presentation in iSpring Viewer. This takes you out of the module and doesn't track progress or quiz scores. Scroll down and select "View in browser." The graphics are not as good but progress is tracked. This is not the complete refresher and cannot be substituted for a complete refresher. You do not need to complete all of the modules at once. You can save your work and return by logging in later.

### Course Price: FREE!

The purpose of this Online Station is to provide OEC Technicians with the informational objectives material they need in order to prepare themselves for the Skills portion of the refresher.
