

## Directions for use of this Worksheet

The purpose of this worksheet is to assist in gathering the information needed to complete the Nomination Appointment form for a patroller being considered for either a National or Leadership Commendation Appointment. The worksheet is designed to assist with questions 6 through 10 of the form. The more you can identify on the worksheet, the more likely the nomination will be approved by Region, Division, and National Award Committees. Samples are available on the web site. (Planned?)

The key to success with these nominations is demonstrated ongoing leadership, not just a flash of leadership. The longer the demonstrated leadership, the better!

Be as specific as possible in the description and information requested. The end date must be a year; it cannot be “present.” List all items in a section from oldest to newest.

The current list of Credentialed programs is:

- CPR (American Heart Association, Red Cross or National Safety Council)
- Avalanche
- Mountain Travel and Rescue
- Nordic (? Now a national program again)
- Outdoor Emergency Care
- Instructor Development
- Introduction to Patrolling
- Accredited Senior Evaluator (ASE)
- PSIA
- AASI

These are examples of programs that are NOT credentialed:

- Awards
- Chair Evacuation
- Snowmobile
- Patrol Board of Directors
- CISM
- Newsletter

The letter of recommendation should be brief but complete. It should cross reference supplemental data to the numbered sections on the nomination form. Use the nominees' full name initially, then use first name or nick name if previously notes. Do not write the letter in third person form. You want to highlight this person accomplishments. Let the reviews know who you are trying to acknowledge.

Please note that as you type in any table, if you pass the end of the space it will expand automatically.

Normally items are listed in an ascending order in section 6, 8, 9 and 10. Ascending order is not a requirement, however consistency in listing items is. List items either ascending or descending in all 4 sections.
