Proposal Text (attach additional pages as necessary; for bylaw, P&P, or other amendments of existing provisions, show changes with added words underlined, and deleted words with a line through them):  Change line 162 on page 27 of 59, Exhibit A , Division Financial accounts Income:change 162-Alpine \$25/per -Division preseason clinics to 162-Alpine \$30/per- Division preseason clinics  Note by Frank Cleary: A motion was made after this proposal was adopted to remove the cost from the PnP. However the new fee will be adopted and recorded in the current budget by the Treasurer.		
Proposal Explanation and Justification (attach additional pages as necessary):  The Division STW fee structure has been in place for the past 18-20 years without change. The clinic format has grown over this time and is increasingly more expensive, with added opportunities for patrollers, increased staff requirements, additional venues and greater participation by patrollers. While a five dollar increase would not make this program self funded, it will go a long way in lowering it's deficit. This fee structure increase would also make the ASE and the STW program fees match..
