Proposal Text (attach additional pages as necessary; for bylaw, P&P, or other amendments of existing provisions, show changes with added words underlined, and deleted words with a line through them): Floor Proposal during Fall 2013 Central Division Meeting: The Division Ski School program will have an initial fee of \$25 and use those funds to help develop the member skills of the ski school. Proposal will require change in two locations of the PnP, A) page 24 - 4th and 5th bullets can be eliminated from reimbursement policy B) Add statement for inclusion of the new fee.		
Proposal Explanation and Justification (attach additional pages as necessary): Until 2013-14 most of the fee charged for the Division Ski School was passed on to pay for Insurance for those teaching in the ski school. As of the beginning of September, National will cover those teaching under the transportation program whether directly teaching tobogganing or skiing/riding. Proposal is to create a new fee of \$25 to cover expenses of the new program with a focus on those that are actually teaching ski/riding.
