

National Ski Patrol Central Division
GUIDELINES OF CONDUCT FOR CANDIDATES
DIVISION OR REGION ELECTIONS

VI. A copy of all campaign literature mailed or distributed by a candidate, or those acting in a Candidate’s behalf, and also an outline of any organized telephone campaign, shall be sent to the Election Coordinator and the Division Director before distribution.

EXPLANATION

It makes more sense to approve before being sent out than sending out something inappropriate and possibly causing a candidate to be removed from the election.

PROPOSAL

DIVISION ELECTION COORDINATOR (F07-P002)

- 1. The Division Election Coordinator
- 2. The Division Election Coordinator

This election process includes (see each election for detail information):

- d) All election operations:
 - a. Collect nominations.....
 - b. Sending out ballot with resumes and position statements to electorate. (F09 P003)
Provide electorate with ballots, resumes and position statements.

EXPLANATION

Instead of sending out resumes, I would like to provide them electronically, specifically putting the information on the website. This would eliminate the higher postage if ballots are sent out by paper.

PROPOSAL

Region Director election schedule:

- June 31 Request Division membership database from National office to determine quantity of electorate.
- October 15 ~~Division Registration Coordinator shall provide a list of allowable election votes per Section, Registration Unit and Members, as applicable, based on previous years registrations, to Division Election Coordinator (DEC) (F09 P003)~~

February 15 DEC to send provide, if available, resumes, position papers, voting instructions and Ballots to electorate. DEC also to send electorate information to approved candidates.

Division Director election schedule:

Same changes as above.

EXPLANATION

This is how I currently run the elections. Also, this would allow for a purely electronic operation.
