

ADD4 Report

My report will be brief as this position has been a brief experience thus far. I am happy to have Jackie Bottomley accept the Administrative Assistant position. She plans to continue as the Skills Development Supervisor also. She is very organized and will serve the Division well.

Darcy Handley is doing a fantastic job with social media. There is current information continually communicated on Facebook which has many followers. Katie Flanagan too is exceptional. It is always helpful when your contributions to the Rusty Parka News are submitted in a timely fashion.

Our current distancing guidelines have caused many changes with the upcoming meetings and events. I have seen the Division Staff handle this as well as making an improvised splint. Kudos to all.

Thank you to the business portion of the Division Staff who accomplish many behind the scenes functions.

Goals for next season:

The Senior QA process is developing and the alignment of the Senior Program Manual to the actual practice in our Regions will be a focus for next season. We are currently reviewing the manual at the Region level in order to evaluate the changes necessary, either with the manual or with our implementation of the program.

I plan to continue to support the programs that I am responsible for. I hope to continue to work on the development of future leaders in the programs.

I also plan to recruit and assist a NSP Swag Store Supervisor to assist and roll out this opportunity at the Patrol, Region and Division levels.

Program responsibilities 2019-2020

OEC--Kim Zambale/Rae Anne Ruddy Alumni—Mark Holtan west Bob Knox east

Bike Patrol—Jeremy Verbeke/Aaron Hislop MTR—Jon O'Dell

Medical Adv—Steve Werner/Dan Goldberger Nordic—Jeff Schmidt

Patroller 101—Jodie Fuller Website—Kent Anderson

Most of my activities for the year with my group have been via messaging, email, or calls. We have a lot going on in OEC with as many of you know OEC delinquencies. They have been working with due diligence to get these all fixed. We also have spent time discussing the new OEC 6 issues and rollout. Also the Bike patrol group has been somewhat busy trying to get patrols registered. Lately we have been with Mike's help working on programs for the bike patrollers as we didn't really have any courses that they could take. The central div is leading this effort and national is all in for us to kick it off. Mike is on the committee at national so that is good.

Events attended for 2019-2020

- 2019 Div fall meeting and Awards Banquet—Cleveland
- OEC course at Granite Peak 4 classes taught, evaluated, also taught ski skills for Patroller101
